

IMPORTANT DEADLINES

Abstract submission: 28 February 2016

Notification of Acceptance: 20 March 2016

Early bird registration: 28 February 2016

Late registration until: 2 May 2016

Venue: Elite Park Avenue Hotel, Gothenburg, Sweden

Dates: 6 – 10 June 2016

SYMPOSIUM HIGHLIGHTS

- 16 keynote lectures
- 44 oral presentations
- 22 young researcher talks
- 2 poster sections
- The official conference language is English
- Preliminary program is available on www.isxb-2.eu

SCIENTIFIC THEMES

Computational chemistry, crystal engineering, catalysis, functional and applied materials, molecular recognition, sensing and separation, surfaces and interfaces, supramolecular chemistry, drug-receptor interactions, biomolecules, applications.

ORGANIZING COMMITTEE

Anthony C. Legon
Catharine Esterhuysen
Giuseppe Resnati
Gautam R. Desiraju
Jane S. Murray
Kari Rissanen
Lee Brammer
Pierangelo Metrangolo
Stefan M. Huber
Shing Ho
William Pennington

WELCOME TO GOTHENBURG A SAFE, WELCOMING AND BEAUTIFUL CITY

Gothenburg, situated in the heart of Scandinavia, has an international flair with an open and friendly atmosphere. Located on the west coast of Sweden, the venue offers a large number of exciting attractions; trips around the city and harbor by boat and tram, a peerless archipelago, beautiful fishing villages and medieval castles nearby. The local seafood is ranked among the finest in the world.

ISXB2

2ND INTERNATIONAL
SYMPOSIUM ON
HALOGEN BONDING

WELCOME

DEAR FRIENDS AND COLLEAGUES,

We are pleased to invite you to join us in Gothenburg, Sweden, for the 2nd International Symposium on Halogen Bonding (ISXB-2) on June 6-10, 2016. The symposium will this year be hosted by the Organic Chemistry Division of the Swedish Chemical Society.

Along the lines of ISXB-1 (Nature Chem. 2014, 6, 762), the meeting will cover all aspects where halogen bonding plays a role including fundamental and applied sciences. It will offer keynote presentations on cutting-edge topics by internationally renowned leaders of the field, followed by contributed talks and poster presentations to stimulate interdisciplinary discussions. In addition, a young researcher's session will be organized to provide presentation opportunities for Ph.D. students and postdocs, to encourage them to share their findings.

It is an honor and challenge for us to organize the International Symposium on Halogen Bonding in Gothenburg, and we will work hard to ensure a rewarding event, both scientifically and socially!

We are looking forward to seeing you in Gothenburg in 2016!

Mate Erdelyi

CALL FOR PAPERS

Online registration: www.isxb-2.eu/registration:

KEY DATES

Deadline of online early bird registration and abstract submission:
28 February 2016

VENUE

The symposium will be held at the Elite Park Avenue Hotel in central Gothenburg, which is located on the city's main boulevard, just around the corner from Gothenburg's cultural centre, with city shops right outside the door.

GET CLOSER TO SCANDINAVIA

Gothenburg is a world-class meeting and events city, located on the beautiful west coast of Sweden, easily accessible from around the world, close to the sea with a stunning archipelago and outstanding restaurants. Innovative cuisine using local produce, especially fish and shellfish, is our claim to fame. A number of prominent cultural institutions are found only a stone's throw from the conference center.

View the unique collection of Nordic art at Gothenburg Museum of Art or enjoy Gothenburg Symphony Orchestra at the concert hall across the street from the congress center. The contemporary exhibitions of the Museum of World Culture, the Röhsska Design Museum, and the Opera House with a waterfront location are also worth a visit.

SOCIAL EVENT

EXCURSION

Date: Wednesday the 8th of June, 2016

Join the boat trip, organized as part of the conference, through the beautiful archipelago of Gothenburg with tones of Swedish folk musicians live on the whole escapade. This tour will take us through Rivö inlet around the magnificent islands Donsö and finally to Vrångö fishing harbor, where we will be seated for a dinner buffet in fishing tents.
